## A/UX: Does Version 3.0.1 Include Motif? (2/94)

Article Created: 7 February 1994

TOPIC -----

Was a version of Motif shipped with A/UX 3.0.1? If not, where can I get a copy of Motif for A/UX?

DISCUSSION -----

Motif has never shipped with A/UX.

Integrated Computer Solutions (ICS), however, developed a version of OSF/Motif (1.1.4, X11R4 based) for A/UX.

According to ICS, however, they have stopped producing this and no longer support for it.

To locate a vendor's name and phone number, use the vendor's name as a search string.
