Converting Visicalc II files to Visicalc III

A utility program included with the Apple Writer III Utilities diskette converts Visicalc II files to Visicalc III files. Here's how to use it:

1. Save your Visicalc II program to diskette; press /SS "filename".
2. Boot your Apple Writer III text file converter program.
3. Convert said files to Apple III.
4. Load the converted file into Visicalc III; press /SL "filename".
5. When you hear the beeping; press control C.
6. Save to disk; press /SS "filename".
7. Load the converted file; press /SL "filename".
