## AWS 95: Busy Environment & Graphics or Textual Services (6/93)

Article Created: 11 June 1993

TOPIC -------------------------------------------------------------

In a mixed protocol environment (NFS and AppleShare) with 100 computers, is
the Apple Workgroup Server (AWS) 95 an industrial strength solution for
graphics and textual file service?

DISCUSSION --------------------------------------------------------

Yes, if the system is configured correctly the performance will be very
good.  For the usage you mentioned here, we recommend 32MB of RAM and L2
cache upgrade.
