AWS 95: Documentation with January 1994 Release (1/94)

Article Created: 5 January 1994

TOPIC -----

This article describes the Apple Workgroup Server (AWS) 95 documentation after the January 1994 product announcement.

DISCUSSION -----

The existing AWS 95 user documentation will be used with the newer release. A Read Me update will also be provided that will identify the differences. A new Performance Tuning Guide will be included with each system.
