## **Lisa 7/7: Installing OS 3.1 and Macintosh software on hard disk**

To install ONLY Office System 3.1 to share or not share the hard disk with Macintosh software:

1. Backup any Office System or Macintosh documents from the hard disk.
2. Follow the procedures in Chapter 6 or the Lisa Office System manual to install the Lisa 7/7 Office System 3.1.
  - a. When prompted to Erase or Don't Erase, select Erase.
  - b. When prompted to Share or Don't Share:
    1. Select Share if you want to store Macintosh software on the hard disk.
    2. Select Don't Share if you use your hard disk to store only Office System software.
