TOPIC -----

I need an extra power cord (with transformer on one end) for my Macintosh Portable. How? Where?

DISCUSSION -----

Two ways to obtain the Power Adapter/Charger are:

- 1) Through a reseller or "service"; Apple Part number for the U.S. version is 699-0505.
  - 2) Through finished goods; it is included with the Macintosh Portable Battery Recharger, Apple Part #M0275.(Discontinued)
