System 7: File Sharing and Floppy Disks

Article Created: 5 March 1991

Article Change History

09/04/92 - REVIEWED

- For technical accuracy.

TOPIC -----

Can I share a floppy disk through File sharing?

DISCUSSION -----

No. File sharing only lets you share devices like hard disks and CD-ROMs. If you want to share information on a floppy disk, follow these steps:

- 1) Copy the data onto a hard disk.
- 2) Set up the sharing parameters.
- 3) Share your information.
