- Acius is now ACI US, Inc.

If you are looking for a database program for the Macintosh in foreign languages, or about database programs that fully support the Script Manager, consider 4th Dimension, by ACI US, Inc.

The only database that Apple is certain fully supports the Script Manager for localization is the international 4th Dimension (version 1.06). Therefore, 4th Dimension supports localization to foreign languages.

To locate a vendor's address and phone numbers, use the vendor name as a search string.
