TOPIC -----

This article provides information on the different parts used in the Apple Desktop Bus (ADB) Mouse and Apple Desktop Bus Mouse II.

DISCUSSION -----

Since October 1987, Apple has been shipping ADB mice which have been produced by various different manufacturers. Each type works exactly the same, but the size and color of the ball used inside the mouse varies.

The following chart provides the part number and description of each ADB Mouse and its associated parts:

Begin_Table

Part No.	Mouse Type	Ball Type	Ball P/N	Retainer P/N
661-0338*	ADB Mouse (old)	Gray, 25.4mm	699-8001	076-0231
