Newton 2.0 OS : Maximum Number of Folders (1/96)

Article Created: 26 January 1996

TOPIC ---

How many folders can I set up on my Apple MessagePad 120 with the Newton 2.0
OS?

DISCUSSION ---

Using the Newton 2.0 OS, each application (such as Notes, Names, and Calls) can
have 12 folders that show up only in that application.

Additional folders can be added, but they will be global folders and will show
up everywhere.
