Apple Personal Modem: Manual erratum

Page 84 of the Apple Personal Modem User's Manual shows the pin numbers
incorrectly.

Here is the correct pin numbering for the serial port (female connector), as
viewed from the rear of the modem:

```
          8  7  6
         5    4  3
           2    1
```
