LaserWriter Pro 630: Description (5/96)

Article Created: 6 January 1993
Article Reviewed/Updated: 30 May 1996

TOPIC --

This article describes the Apple LaserWriter Pro 630 printer.

DISCUSSION ---

The Apple LaserWriter Pro 630 is a compact, expandable network printer that
makes use of Apple's FinePrint and PhotoGrade technology. With PhotoGrade,
the LaserWriter Pro 630 can print more than 91 levels of gray, while FinePrint
smooths curves and jagged text. The LaserWriter Pro 600 can also print
documents at 600 dpi (dots per inch).

LocalTalk allows for plug-and-play connection to an AppleTalk network system,
as well as parallel and serial ports for connection to DOS and Windows
computers. You can also connect to high-speed Ethernet networks with built-in
Ethernet. SCSI ports are available so you can connect an internal or external
hard drive for large-capacity font storage. All ports stay active, so you can
send documents to any port without having to change a single setting.

The LaserWriter Pro 630 comes with two paper trays and options that include a
500-sheet paper cassette and a 75-envelope feeder. That brings total paper
capacity to 850 sheets.

LASERWRITER PRO 630 FEATURES

Print Quality

• 600 dpi resolution for high-quality text
• PhotoGrade for enhanced images at 300 dpi with FinePrint for smooth text and
  lines

Multiplatform Compatibility

• Simultaneous connection to Ethernet, LocalTalk, Centronics parallel, and
  RS-232 serial ports
• Simultaneous connection to Macintosh, MS-DOS, and Windows computing
  environments
• SCSI ports (internal and external) for hard drive connection and font

 storage
- Adobe PostScript Level 2 software and HP LaserJet IIP (PCL 4+) emulation

Convenience and flexibility

- Two paper trays included (100 and 250 sheet capacity)
- Optional envelope feeder (75-envelope capacity)
- Optional 500-sheet feeder
- Maximum capacity with options: 850 sheets

Power and speed

- 25-MHz 68030 microprocessor, plus ASICs and I/O processors
- Ethernet port for direct connection to EtherTalk networks

Memory

- 8MB of RAM, expandable to 32MB
- 2MB of ROM

Ordering Information

Apple LaserWriter Pro 630
Order No. M5858LL/A
- Apple LaserWriter Pro 630 printer
- Toner cartridge
- Installation software and font disks
