LaserWriter Pro: Error in User's Guide (5/93)

Article Created: 10 May 1993

TOPIC -----

The LaserWriter Pro User's Guide states (page 36) that "The LaserWriter Pro is designed to work with system software version 6.0.5 or later....".

Is this correct?

DISCUSSION -----

The statement should read "system software version 6.0.7 or later" instead of "system software version 6.0.5 or later".

Future editions of the LaserWriter Pro User's Guide will have corrected information.
